ABSENTEE VOTE COUNT BEGINS

Official Precinct Tally
On November 8 Election
Announced By Supervisors

Tabulation of the absentee vote in the county in the November 8 election was undertaken by the Board of Supervisors about ten o'clock Tuesday morning. Of the total of absentee votes taken out, 266 were cast of which twelve were thrown out for various reasons, leaving a total of 254 to be tabulated.

At the noon recess, the board had tabulated about fifty ballots and it was apparent that the count might not be completed before Wednesday.

The official count of the precinct vote as found in a canvass of the ballots on Monday showed that a total of five thousand eight hundred sixteen ballots were cast in the election.

The total votes received by various parties was as follows:

For Governor: Merriam, one thousand nine hundred seventy-two; Olson, three thousand two hundred forty-eight;

For Lieutenant-Governor: Franklin, two thousand one hundred thirty-nine; Patterson, two thousand seven hundred seventy-four;

For United States Senator: Downey, three thousand one hundred forty-two; Bancroft, two thousand one hundred twenty-three;

For School Superintendent: McCoy, two thousand seven hundred sixty-five; Reese, two thousand seven hundred eighty-eight;

For Surveyor: Lahiff, two thousand forty-eight; Hoffman, three thousand two hundred thirty-five;

For Sheriff: Smith, two thousand nine hundred fifty-nine; Bathurst, two thousand five hundred seventy-seven;

For Tax Collector: Miss Cook, two thousand five hundred forty-six; Truscott, two thousand eight hundred seventy-six.

This, it appears, in so far as the contested county offices are concerned, confirms the result indicated by our unofficial tabulation; that all races are decided except the contest for School Superintendent, in which the count of the absentee ballots is awaited.

U. S. Cabinet Shift Seen

Roosevelt May Make Change
This Week, Declares
Washington Informant

By FREDERICK A. STORM
United Press Staff Correspondent

WASHINGTON, (U.P.)—A high administration official told the United Press today that President Roosevelt may announce a change in his cabinet before leaving for Warm Springs, Ga., Sunday.

The post at issue, he said, was that of Attorney General, now held by Homer S. Cummings. It was expected that his successor would be solicitor general Robert H. Jackson.

The United Press informant, one of the president's closest advisors who asked that his name not be used, said that a shake-up in the cabinet was impending. However, only the one change is contemplated at present, he said.

He emphasized that reports of Works Progress Administrator Hopkins replacing Secretary of Commerce Roper were "premature." He declined to add to that statement.

CONTINUANCE OPPOSED

City Attorney Thomas Maul on Tuesday received from the railroad commission an acknowledgment of the city's protest against the proposed abandonment of the Placerville passenger schedule, and also formal notice that the Southern Pacific Company has filed with the railroad commission its opposition to further hearings on the company's application for a permit to abandon service.

GOLDEN ANNIVERSARY—Preparing for the golden anniversary of the Pasadena Tournament of Roses, its 1939 theme is announced in a pretty ceremony here. Heralds Ruth Gifford and Jetsy Posthuma reveal that the theme, "Golden Memories," is most fitting for the 50th year of this world famous New Year's Day floral festival held in the California city.

"AGRICULTURE MUST FIND A WAY," SAYS RAY B. WISER

State Farm Bureau President Declares Farmers Must
Lower Production Costs to Obtain Greater Share
Of National Wealth, In Keynote Address

SACRAMENTO, (U.P.)—Ray D. Wiser, president of the California Farm Bureau Federation, today keyed the 20th annual convention by declaring that farmers must lower costs of production and secure a larger share of national wealth and national income.

Wiser, from Gridley, challenged the 3,000 farmers in Sacramento for the four-day conference to attack the pressing problems facing agriculture.

"Despite the brave attempts made through our national programs to bring economic relief to agriculture, our farmers are faced with greater financial and economic difficulties today than they ever have been in the past," Wiser said.

"This is all the more true because our standards of living have risen and our demands for the products of civilization have increased. We cannot go back to the days of the horse and the buggy, the kerosene lamp and the dirt road. This would mean turning the clock of progress backward.

"Agriculture must find some way, fairly and squarely, of obtaining for itself a larger share of the national wealth and national income, most of which, in the form of raw materials, is produced on the farms of the country."

Referring to costs of production, Wiser said, "costs have gone up just as agricultural incomes have gone down."

"We must develop a program which will enable our people to reduce their costs of operation without sacrificing the standards of living they now enjoy even on a mortgaged basis."

Wiser's address was believed the forerunner of drastic legislation to be proposed by the farm bureau for action by the legislature. Many marketing measures were included in the large number of resolutions ever studied by the resolutions committee.

One of the expected recommendations was drastic modification or outright repeal of California's initiative law. Wiser touched on the subject in his talk as follows:

"While our initiative law was intended to be a symbol of progressiveness, we have gone too far in taking prerogative away from our legislature and delegating it ourselves. . . . Progressive as was the intent of our initiative law, enacted during Governor Hiram Johnson's term, succeeding years have subjected it to abuse. . . . It is impractical to have a dual system of law making, one by the legislature, and the other by the people through direct action."

BIG GAME RALLY HELD MONDAY NIGHT BY ALUMNI, ROOTERS

Under the auspices of the California Men's Club of the county, Stanford and California alumni and their wives and husbands, with other particular boosters in next Saturday's football game at Berkeley, held a "big game rally" Monday night at Hotel Raffles.

Feature of the evening was a talk by "Crip" Toomey, California Aggie coach and former Bear star. In addition, motion pictures of last year's Rose Bowl game and of the Stanford-Washington game this season were shown. Football songs of Stanford and California gave spirit to the occasion.

A California man reported Tuesday morning that as the game was played Monday night, the Bears won over Stanford by about two touchdowns.

Rites At Oroville For Soil Service Worker

Funeral services were held Monday afternoon at Oroville under the auspices of the Veterans of Foreign Wars for Frank E. Lynds, 42, for the past two years a garage mechanic in Placerville for the Soil Conservation Service.

Lynds passed away on Saturday at a hospital in Sacramento. He is survived by his wife.

Birth of a daughter, Doris Dianne Bledsoe, to Mr. and Mrs. Charles Bledsoe, of Lotus, on November 12, was of record Tuesday at the courthouse.

Commandery Inspection To Be Held Tonight

The regular inspection of El Dorado Commandery No. 4, Knights Templar, will take place at the commandery meeting this (Tuesday) evening and the inspection will be conducted by Charles E. Thorp, of Sacramento, inspector for district two.

Under the guidance of Walter H. Ralph, Eminent Commander, the commandery has made plans for a 6:30 o'clock dinner following which the meeting of the order will be held.

Russ Bradley Operates Richfield Station

Russell Bradley has taken over and is now operating the Lower Richfield Service Station, which is located at 127 Main street, near Raley's Drive-In Market. Prior to this the station had been under the management of Jack Shornberg.

Mr. Bradley, who had been employed by Mr. Shornberg, in operating the station for the past several weeks, was also a former employee at the White Spot Service Station.

Mr. and Mrs. Lyman P. Allen, of Mt. Vernon, Illinois, who for the past year or more have been visiting their daughter, Mrs. Ruby Allen, and family, left Tuesday morning for Sacramento on their return home.

Carl Niegel, of Cool, was attending to business in the county seat on Tuesday.

CRIME FIGHTER LION SPEAKER

"Check Artists" Subject Of
Talk; Plans Announced For
Home-Talent Presentation

W. H. Brownlee, of San Francisco, widely known in the field of apprehending criminals, was the speaker at the regular meeting of Placerville Lions Tuesday, dwelling particularly upon the manner in which bogus check operatives work.

Mr. Brownlee startled the club when he revealed that a tremendous total of money is lost to legitimate business each year by the operations of bogus check men, and then hastened to explain that this does not include the garden variety of checks which "bounce" but which ultimately in a large number of cases are made good.

He also entertained the club with demonstrations of how slick fingers work for pickpockets.

Included in other club business were plans for a home-talent show projected for November 29 and 30. Miss Margaret Hoobing, representing the John B. Rogers Producing Company, of Postoria, Ohio, addressed the club and said the show will be a minstrel-revue called "Hit It Up," with a cast of 150.

She appointed President Dillinger as general chairman, W. H. Farrell, finance; J. H. Rhodes and L. R. Armes on talent; Bob Hook on properties; J. H. Palmer on tickets; and Walter G. Drysdale and V. E. Allen on publicity, and called for rehearsals opening tonight at the Spanish Court of Hotel Raffles.

Kelsey Opens New Chapel

Dedicatory Service Held On
Sunday For Sunday School
Union Church Building

Sunday a dedicatory service was held in the new building built by the people of Kelsey. It is an undemonstrative work under the American Sunday School Union, having cared for a Sunday School in this community since 1914.

Because of the large attendance it was not possible to separate into classes for this occasion to discuss the regular Sunday School lesson so the entire school was addressed by Rev. Fred Kinzie, the present superintendent of the Sunday School.

A history of the American Sunday School Union, which dates back to 1817, was given by Rev. H. D. Todd, missionary of the American Sunday School Union for this district. Following this a history of the Kelsey Union Sunday School was given by Mr. J. C. Miller, who has been superintendent of the Sunday School several times.

The service following the Sunday School period was conducted by Mr. Regier, formerly of Newton, Kansas, now a student at the Bible Institute of Los Angeles, and Rev. Clayton, former Evangelist of the Bible Institute and now pastor of a San Dimas church. The new time for the Sunday School will be at 10 a. m. and morning worship period following and a bi-monthly afternoon Bible class.

Mrs. Daisy Rolfe Gets Prize For Quilt

Mrs. Daisy Rolfe, of Garden Valley, has been awarded a \$5 prize by proprietor Albert Simon, of The Quality Shop, as having the best quilt displayed at the county fair, held last month. A merchandise order in the amount of \$5 went forward to Mrs. Rolfe on Tuesday of this week.

Sunday School Union Meeting Saturday

The annual reunion of members and alumni of Camp Quintette and Camp Forward, conducted by the American Sunday School Union, will be held Saturday afternoon at 2 o'clock at 2525 Fifty-Fourth Street, Sacramento, it is announced by the Rev. H. D. Todd. Dinner reservations may be placed with Mr. Todd at the above address.

ROSE BOWL VOTE

LOS ANGELES—The Pacific Coast conference will ballot on its choice to represent the west in the Pasadena Rose Bowl game New Year's Day, on November 28.

2 Fliers Cited For Services In Air Mail Week

Postmaster Joseph Scherrer has received from the postoffice department two certificates to be presented to Dr. D. W. Babcock and to J. A. Gianelli, in which Postmaster General Farley acknowledges the services of the two in the department's observance of Air Mail Week.

The certificates mention that the two faithfully fulfilled their oaths as air mail pilots in the Air Mail Week observance.

SANTA'S COMING, MAIL EARLY!

Parcels For Foreign Points
Should Be Started On Way
Immediately, Says Scherrer

"Christmas is coming and the geese are getting fat!"

And the postoffice department is again reminding citizens to mail early.

Postmaster Joseph Scherrer said Tuesday morning that parcels going to foreign countries should be mailed in the near future.

"It depends on the destination of the parcel," the postmaster said, "as to how it can be mailed. Parcels going to far countries should be mailed right now. Some packages can be mailed as late as December 16 provided they are not going too far away.

"However, the slogan again is 'Mail Early!'"

As a reminder to patrons, Mr. Scherrer again called attention to the need for clearly addressing parcels and letters, and to the advisability of clearly indicating a return address so that, in the event delivery is impossible, the parcel will not be lost.

Mr. Scherrer also suggested that it is a good idea to mail parcels early, even though they may not be going to foreign countries. The packages may bear stickers asking that they be not opened until Christmas, so that there is no reason why, as far as the post-office is concerned, parcels cannot be mailed at this time and avoid the Christmas rush.

THURMAN VALUES HELP GIVEN CAMPAIGN BL NEWSPAPERS

In a letter to this newspaper Allen G. (Scoop) Thurman, successful candidate for the assembly from this district gives the newspapers a large share of the credit for his success in the recent election.

Thurman, a newspaperman, believes in printers ink and during the campaign published his mining statement and fish and game platform in several newspapers of the district. He also ran several display advertisements in the papers of his home area. In addition, he published 25,000 copies of a tabloid newspaper which he mailed to voters throughout the ten counties which comprise the Sixth Assembly district.

In this letter, Thurman said: "While my friends worked hard in my behalf, I cannot overlook the fact that the press of the district deserves a large share of the credit for my winning the election."

Damage Action Settled Out Of Court

The suit for \$11,000 damages brought by Nicolai Neilsen against the Associated Oil Company has been settled out of court under terms which were not made public.

Hearing in the action was undertaken Monday in the Superior Court with Judge Dal M. Lemmon, of Sacramento, presiding. Selection of a jury occupied the morning and when court reconvened following the noon recess, counsel announced that the issue had been settled to the satisfaction of all parties out of court.

The complaint had charged that the defendant company was responsible for injuries received by Mrs. Neilsen as a result of being thrown from her horse when the animal became frightened by the passing of one of the company's trucks.

AIR MECHANIC HELD

HONOLULU—Ben Fleigelman, army air service mechanic, was under technical custody in a hospital today after he had wrecked one of the army's most expensive ships in a five-mile flight in which officials marveled that he had been able to get the craft off the ground.

CRASH HURTS PROVE FATAL

Weekend Accidents On County
Roads Result In 2 Deaths;
L. A. Man Succumbs

Weekend automobile accidents on roads within El Dorado County resulted in two deaths.

John Wolfe, Rescue prospector, who suffered a skull fracture when his car

overturned on U. S. Route 50 near the Webber Creek bridge, died Monday night at a Placerville hospital.

The second victim of the weekend was P. Benton, 54, of Los Angeles, who was injured Friday evening when his car hit a tree on the Green Valley road in the Salmon Falls district.

Mr. Benton died Monday morning at a Sacramento hospital. It was reported that his accident injuries were not so severe, but that because of the infrequency of travel on the road he remained all night in his car before being found by passersby on Saturday morning, and is reported to have passed away as a result of the exposure.

The body of Mr. Wolfe, who had been a prospector in the Rescue district for twenty-five years, was removed to the M. O'Keefe mortuary chapel.

It was learned that Mr. Wolfe was a native of Germany who was brought to this county at the age of four years. During his adult life he had been engaged in mining and while yet a young man is reported to have enjoyed some unusual success in this field.

O. E. S. Chapter Chooses Heads

Miss Laura Ball Elected
Worthy Matron; Installation
Scheduled In December

Miss Laura Ball was named worthy matron of Fallen Leaf Chapter No. 90, O. E. S., and John H. Palmer was chosen worthy patron, at the regular election of officers of the chapter on Monday evening.

Other officers elected are Ethel Van Vleck, associate matron; George Van Vleck, associate patron; Louisiana Schnell, conductress; Ethel Smith, associate conductress; Elizabeth Martin, secretary; and Adelaide Chalder, treasurer.

It is reported that the installation of officers is being planned for a meeting sometime in December.

VOLCANO SPEWS

TOKIO—A violent eruption of the volcano Asama rocked Tokio today. No damage was reported.

GALENTO WINS

PHILADELPHIA—Tony Galento remained the No. 1 heavyweight challenger today after a three-round technical knockout of Harry Thomas last night.

Myron Fuller, 34, was arrested on Monday night on a charge of disturbing the peace and was to have a hearing Tuesday afternoon before Justice of the Peace T. F. Lewis.

THE PEOPLE OF THE STATE OF
CALIFORNIA to S. J. Willems, also
known as Stanley J. Willems, and Jane
Willems, also known as Jane Willems,
also known as Mrs. S. J. Willems, (his
wife),

GREETINGS:
YOU ARE HEREBY NOTIFIED
that an action has been commenced in
the Superior Court of the State of
California, in and for the County of
El Dorado, by filing a complaint in the
office of the Clerk of the above en-
titled Court on the 19th day of Octo-
ber 1938, in which action Naaman A.
Swingle, also known as N. A. Swingle,
and Lucy Swingle, his wife, are the
plaintiffs, and you are named as de-
fendants.

You are hereby directed to appear
and answer said complaint within ten
(10) days after the service of this
summons, exclusive of the date of
service if served upon you in said
County of El Dorado, and within thirty
(30) days, exclusive of the date of
service if served elsewhere, and
You are hereby notified that unless
you so appear and answer within the
time specified, these plaintiffs will
take judgment for any money or dam-
ages demanded in the complaint as
arising upon contract or will apply to
the Court for any further relief de-
manded in the complaint.

Said action is brought to quiet title
and remove a cloud from the title of
the plaintiffs herein named, in and to
all that certain real property situ-
ated and being in the County of El
Dorado, State of California, known,
designated and described as follows,
to-wit:

Comprising a portion of the South-
west quarter of the Northeast quar-

mencement, containing 11.3 acres

PLACERVILLE DRUG STORE
GIVEN SALUTE BY
MAGAZINE

Morgan's Pharmacy, of Placerville, is
one of the older drug concerns of the
west mentioned in the current golden
anniversary number of the Pacific
Drug Review, a trade magazine.

The issue features an article "Pio-
neer Western Pharmacies That Still
Live" in which mention is made that
on June 29 of this year the store pas-
sed its sixty-second anniversary.

The store was established by "a Mr.
Mason and Mr. Reed and Dr. Pro-
ctor with Dr. M. E. Meglone in charge"
and was at the site at the corner of
Main and Coloma streets, now occu-
pied by a grocery.

E. J. Jolly and Sam McLure pur-
chased the business December 30, 1879
and in turn sold to the late W. F.
Fairchild in 1888. Mr. Fairchild moved
the store to the lower Fairchild build-
ing where the business subsequently
was operated by Mr. and Mrs. Mark D.
Barrett, of Newcastle, who sold to L.
T. O. Rule, now of Oakdale, who, in
November of 1927 sold the business
to the present proprietors, Mr. and
Mrs. W. C. Morgan.

Morgan's Pharmacy during the past
year has moved again to the building
on Main Street which for ten years
was the Safeway store.

NATIONAL DEFENSE MEASURES WILL FEATURE WORK OF
NEW CONGRESS; GENERAL STRENGTHENING OF
AIR, LAND AND SEA FORCES IN PROSPECT

WASHINGTON, (UP)—The new na-
tional legislature appears certain to
become the "national defense con-
gress."

Mr. Roosevelt is expected to ask for
at least \$1,500,000,000 to speed con-
struction of the world's most power-
ful fleet and vastly increase army and
air force strength. This would repre-
sent an increase of approximately
\$500,000,000 over this year's defense
expenditures.

The United States has warned the
world in unequivocal terms that any
encroachment on the western hemi-
sphere—from the Arctic to the Ant-
arctic—will be met by armed force.

The President's naval program, ac-
cording to some high officials, envis-
ages eventual construction of a fleet
almost twice as large as the present
one, to be divided into two approxi-
mately equal forces for the Pacific and
the Atlantic.

However, the military machine—18th

in size among the standing armies of
the world—is causing the President
and the war department greatest con-
cern. Military experts contend that the
present army of 165,000 men is not suf-
ficient for home defense, much less
able to carry the fight to a potential
enemy.

In addition to increasing army per-
sonnel to maybe 400,000, congress will
be requested to appropriate tens of
millions of dollars for modernizing and
mechanizing the mobile forces, in-
creasing seacoast and anti-aircraft de-
fenses, purchasing field artillery ma-
terial and developing defenses for tank
attacks.

The greatest increase in defense ex-
penditures in proportion to current ap-
propriations probably will be made in
the army and navy arm.

Mr. Roosevelt has been advised that
at least 7000 first line fighting and
bombing planes will be necessary for
adequate aerial defense.

RHEIMS REPLICA

TACOMA, Wash. (UP)—Thomas Jac-
obsen is a cement finisher by trade,
but he'd rather do wood carving. In
three years he carved from alder, wal-
nut and birch a three and one-half
foot high replica of the Rheims, an
other craft and almost colliding with
the cathedral.

SPEEDER FINED

VANCOUVER, B. C. (UP)—Joe San-
ders was fined \$10 and costs here for
speeding in a boat. Harbor officials
said Sanders began racing in the har-
bor and birch a three and one-half
foot high replica of the Rheims, an
other craft and almost colliding with
the cathedral.

"Queen Of Wake Island" Leads Life Too Busy To Be Lonely

By LEONE BAXTER

A San Francisco woman is "marooned" on a tiny mid-Pacific island over 3500 miles from the nearest mainland. She has no stores to visit, no neighbors to call upon—two deprivations that mean much in the average woman's life—yet she is having a fine time of it!

Nothing grows there. The only food obtainable, from the island itself, is the fish in a blue lagoon. However, when this lady sits down to dinner, she selects from menus of which the following is typical:

Hors d'Oeuvres, Sweet Gherkins, Green Olives, Fruit Cocktail, Consomme with Vermicelli, Salad a la Guba, Prime Ribs of Beef au jus, Roast Chicken, Long Branch Potatoes, Fresh Parsnips, Corn on Cob, Loganberry Pie, Camembert and Leidekrantz Cheese, Butter Wafers, Coffee or Tea.

So swift is air transportation that perishable delicacies arrive from the mainland in perfect condition. Bulky staples come by water.

The lady, you see, is Mrs. Charles Jenkins, co-manager with her husband of the unique Airways Inn, recently erected on Wake Island by the Pan-American Airways Company for service to trans-Pacific plane passengers. For many years Mr. Jenkins was manager for the Bohemian Club of San Francisco and later of the Commercial Club of Fresno. He and Mrs. Jenkins, who is known over the Pan-American route as the "Queen of Wake Island," have trained to excellent service a crew of native boys imported from Guam.

Mrs. Jenkins writes to friends that she is fascinated by the beauty of the tropical setting, the clear waters, the

endless varieties of brilliant-hued fish and the coral. She swims, practices her favorite sport of archery—and works. She is equally at home in office or kitchen, and when the great planes swoop down there is plenty to do in both.

Most women, probably, would contemplate trying Mrs. Jenkins' job with mingled fascination and apprehension. Not lonely—yet far away from friends and home—but with interesting work, stimulating contacts with world travelers, and the pleasure every woman takes in being a successful hostess.

What really counts is that Mrs. Jenkins likes it—which is all that counts in any career, whether it be thrilling or humdrum. For every worthwhile endeavor, however unusual, it seems there is some one especially fitted by interest and capacity.

Best of luck—with a touch of envy—to the Queen of Wake Island.

Mr. and Mrs. Thomsen Visit In Mid-West

Mr. and Mrs. John Thomsen are spending a vacation in Iowa, where Mr. Thomsen was employed by the express company prior to coming to Placerville a number of years ago. In their absence, the Placerville office of the Railway Express Agency is under the management of H. R. Nethercott, assigned here from Sacramento. The Thomsens are expected home in time for Thanksgiving.

TUESDAY-WEDNESDAY BILL AT EMPIRE HAS TWO MAJOR FILMS

The new bill opening tonight at the Empire theater for a two-day run has two feature pictures.

Buddy Rogers and June Clyde are the stars in "Let's Make a Night of It" and the second picture shows Leo Carrillo and a competent cast in "City Streets" with a new star.

She is Minerva Urecal. Miss Urecal is the feminine counterpart of dialect funsters. A score of men have won reputations as master mangers of speech, but she is probably the only woman to compete with them in their own field. Adept at Italian, Spanish, German and Russian comedy dialects, Miss Urecal is better known by the character name she has used in radio for many years, "Mrs. Pasquale," popular with countless thousands for her piquet and splintered Ita'o-English.
